We assume that the extras will be continued across the school year.

Organisation of groups is challenging. Therefore, please consider the following when selecting an extra:

- Activities occur at different times on different days and are grouped according to ability. If a clash occurs, a choice will have to be made.
- Demand is large for some Extras. Please ensure that your son/daughter is keen to participate.
- If you're making a number of choices, a **maximum of 3** is desirable. Please consider the amount of free time your child has.
