REGISTRATION

This is not a binding commitment to join the school, but ensures you are kept up to date, for example on availability of places. It also secures priority over those not yet registered.

There is no fee for registration of a child.

JOINING FEE

Paying the joining fee secures a place at the school for the given year of entry. Should the place not be taken up, the entire joining fee is forfeited.

The joining fee is a one-off fee of Ksh 150,000, with 50% refunded after the final term if all obligations are met.

Should a parent wish for a child to defer from the year requested, we will try as far as possible to accommodate requests but may not be able to guarantee the changed joining date.
